### Education

---

IT, Bharathiyar university arts and sciences college Valparai

2023 – 2026  
Valparai, India

### Skills

---

Java script,c,c++,phyton,web developer

— Beginner

### Profile

---

I pour my heart and soul into crafting digital experiences that exceed user expectations.seeing a user's face light up with joy and satisfaction is what drives me. I firmly believes that the most successful projects are the result of close -knit cross function teams working in harmony towards a shared goal.

### Languages

---

- Tamil, English

### Certificates

---

Infosys, springboard

Level 1
